

**Organist/Pianist  
Epiphany Anglican Church, Ottawa  
1290 Ogilvie Road**

**About the Role**

Are you an experienced musician who believes that music is a critical part of worship? Are you as accomplished in traditional sacred music as you are in more modern forms of expression? Do you want to belong to a church family who considers their Organist/Pianist one of the pillars of the congregation?

Then Epiphany Anglican Church in Ottawa is searching for you.

Specifically, we seek an Organist/Pianist to work with our Minister, our Music Director and volunteers to plan, perform and lead music during our weekly services, holidays and celebrations. This is a well-established, part-time (av. 6-hr. per week) paid position to replace our Organist/Pianist whose last Sunday with us is at the end of August 2026.

Salary and benefits will be negotiated using RCCO scales.

**About Us**

Our musical assets include a talented part-time Music Director and a 20-member SATB adult choir; a well-maintained 3 manual Phoenix Organ and Boston Grand piano. We are blessed with excellent acoustics in our sanctuary and a choir rehearsal space.

Our Parish is in the east end of Ottawa. Our innovative church-in-the-round architecture symbolizes our links to ancient Anglican traditions. Our programming emphasizes our modern approach to serving our local neighbours and our church members. We are known as an exceptionally embracing, warm faith community.
